Island Discover

Duration

6h approx.

Schedules

Departure between 08:00h.–11:00h.
End of the route between 16:0h.–18:00h.

Island Discover is a six-hour tour in which you can decide how, when and why. Menorca is an enclave that harbors history, geology or breathtaking views, so this trip is all about your own free choice.

You will be able to walk between the impressive walls of an old quarry, discover how the island's cheese is made on a livestock farm or observe the majestic purebred Menorcan horses, the stars of the island's celebrations, in their natural habitat. The excursion is accompanied by a picnic and a tasting of Torralbenc wines.

Sunset Experience

Duration

6h approx.

Schedules

Departure between
14:00h.–15:00h. until sunset.

On this excursion, you will be able to experience the privilege of contemplating one of the most beautiful sunsets in the Mediterranean in a private location and accompanied by a selection of local products.

Ride around Menorca as you observe the new colors that the sun sets on the island's virgin landscapes and end your day at the private Finca Santa Teresa, from where you will be able to experience the privilege of watching the sun go down over the Mediterranean.

Our fleet

The Jeep experience is exclusively operated with a fleet of *Range Rover Defenders*, one of the highest of the range, convertibles with leather seats.

The tours are carried out with this fleet of cars so that you can enjoy the experience to the full as, given their high altitude, you will be able to enjoy the views over the more than 12,000km of dry wall that runs through Menorca.

Jeep Safari Menorca is part of Range Rover's electric motor program with the aim of replacing its vehicles with electric motors within a year.

Services

Languages

Jeep Safari Menorca's guides speak 7 languages to make your trip as pleasant as possible*:

Dutch | French | English | Italian | German | Portuguese | Catalan

**In case you want to do a route focused on geology, we recommend you to do it in English with their guide with a degree in archaeology.*

Driving

No user is allowed to drive the vehicle except for the qualified guide. This restriction is due to the fact that the excursions take place on protected land and must follow specific routes in order to conserve the island's biosphere.

Groups and capacity

Each car has a maximum capacity of 8 people. The price of the excursions is per car, not per person.

Group excursions are possible with a maximum capacity of 8 cars. These excursions must be booked at least two months in advance.

Schedules

Excursions lasting 6 hours. Departures are flexible and pick-up is at Torralbenc.

Extra charges

There are no extra costs involved in the routes, but it is advisable to bring money with you, as there are stops at cheese and sausage dairies and other shops along the way that may be of interest to you.

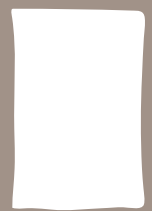

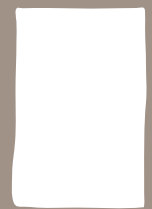

About Jeep Safari Menorca

The founding members of *Jeep Safari Menorca* live on the island by choice, not by birth, and work every day to preserve it.

The project was created with the aim of offering new sustainable forms of tourism and to show visitors the most magical corners of the island and thus promote respect and responsibility involved in maintaining a natural enclave such as this one.

Jeep Safari Menorca's guides are enthusiastic and knowledgeable about Menorca, and have an official guiding qualification or similar validation.
